The Catanoso family held their 54th Annual reunion at the Avalon Campground in Clermont on September 17th, 2011. As usual, it was a very happy day. The campground is owned by brother Len Catanoso and his family, and is the perfect spot to hold our rather large get-together. The majority of family members live here in Cape May County and we see each other often throughout the year, but it is a great treat to welcome those who come from longer distances and to fill each other in on the latest news. After asking a blessing, our day starts out with a great variety of delicious foods, topped by a luscious dessert table, and then the games begin! The highlight of competition is the Bocci Tournament, which is a fiercely fought series of games, with a process of elimination, until the trophies for 1st & 2nd place are awarded. The patriarch of the family is Tony, who will celebrate his 95th birthday this December. Our darling newest member is baby Madeline whom we welcome to our fold as #157... and counting!
