

# Congratulations Joe Catanoso!

A retirement party was held for **Joe Catanoso** at *The Bayview Inn, the Best in the Crest!* on Nov. 13th, 2009. Over 200 friends and family members were determined to get to the party by boat or by swimming there in spite of the Noreaster that brought severe tidal flooding that night. (Waves from Sunset Lake were actually crashing up against the windows that night!) Joe retired from the North Wildwood Police Dept. after 25 years. He currently teaches the DARE program in the North Wildwood school system.
