

FREE HEALTH AND FITNESS FAIR HOSTED BY THE GYM AT 10 STREET IN NORTH WILDWOOD

Daily **Gym@ 10th St.** regulars, **Jack & Jo Bair**, lovingly captured in time on Valentine's Day 1950, (below) haved worked hard during their 60 years together to maintain their healthy, shore-loving lifestyle.

Gary McBride, Bill Burke, and Bernie McCann (an infamous local DJ and Spin instructor) take time out of their daily gym routine, generously displaying their movie-star looks as they pose for the camera.

Jamie Bottoms has her vitals taken by an on-hand healthcare professional while stressing the importance of a good exercise routine for both the young and the young-at-heart.
