The party began Friday, October 22, 2010 at 3PM. The 1960 Wildwood Catholic High School graduating class began to get reacquainted. We were celebrating our 50th Class Reunion and it was going to last the entire weekend. Montego Bay, North Wildwood, offered the perfect venue. As each classmate came into the Hospitality Suite they were greeted with hugs and handshakes. Food and drink flowed; singing, dancing and laughing was the order of the day. Later that night we all went to the Beef and Beer, then it was back upstairs to our Hospitality Suite. We were having a ball!!!

Saturday dawned sunny and warm so after breakfast many strolled the boardwalk, beach and watched the ocean. For some it had been a long time since they had enjoyed that view and experienced the feeling of sand between their toes. That afternoon we met on the steps of our Alma Mater for our group picture. Fond memories were shared as we recalled our class picture having been taken on those very steps fifty years earlier. We returned to the "party room" for more fun, stories, food and libation. Dinner was at 6:00PM and then it was back to the Suite to continue the festivities. Another late night!

Sunday dawned another beautiful day. We attended Mass, which was dedicated to our class of 1960. Then it was time to say goodbye with promises to write, call and visit. Did we have a good time? So much so we've planned a "mini" reunion for July!!
