

Get ready, King of the Court Soccer Tennis Tournament is coming to Wildwood!

Maheer Brothers Soccer Presents

KING OF THE COURT

OFFICIAL SOCCER TENNIS TOURNAMENT

July 24th -25th 2010

Wildwood Tennis Courts @ Fox Park (across from Convention Center)

Anthony Maher is currently entering his 9th season as a professional soccer player and 3rd year with the Philadelphia Kixx of the Major Indoor Soccer League (NISL). He recently scored his 100th career professional indoor soccer goal and was a top scorer for the 2008-2009 Philadelphia KiXX. He was born and raised in Cape May County, New Jersey and is very proud to bring Maheer Brothers Soccer to the area.

Michael Maher is the younger brother to Anthony. Michael played Division I soccer with the US Naval Academy. Michael was chosen as Team Co-Captain and was a defensive mainstay for the midshipmen. He has been serving on active duty for 4 years as a Naval Surface Warfare Officer and is currently a Lieutenant stationed in Phila. as an Officer Recruiter. Michael's leadership experience, professional skill set, and soccer knowledge is a huge boost to our Nationalization process for 2011!

KOTC adds KiXX All Star PAT MORRIS as our newest partner!

Soccer Tennis It is well known that a soccer player's first touch on the ball can be the key to improving an individual in many other areas of the beautiful game. To put simply, if one doesn't have a good first touch, it's very hard to excel in the game of soccer. How is your first touch? An effective method to improve one's first touch is to include it in a fun, game-like setting with little or no pressure from opponents (a no contact sport). That is precisely why players and coaches all around the world invented the hybrid game of Soccer-Tennis. This great game has everything you need to learn about technique and ball control and can be THEE game that really sharpens your skills. Two versus two action challenges players to concentrate on their first touch and passing or 'setting up' their partner to score points against an opponent. Soccer Tennis is proven to make a difference in a players overall ability!
